Dear Parents and Carers,

RE: Postponement of International Afternoon, Friday 10th July

It is with regret that we have decided to postpone this Friday's International Afternoon Summer Fair.

The weather forecast for Friday is currently showing very high temperatures. We are concerned that setting up, running and packing away the activities in this heat would be very difficult for staff and volunteers. We are also mindful of the potential impact on the health and wellbeing of children, families, staff and visitors attending the event.

In addition, due to the heat, we are not confident that attendance would be high enough for the event to be as successful and worthwhile as we would want it to be.

We have therefore made the decision to postpone the fair until Friday 25th September at 4:30pm. The event will still include similar activities, food, drinks, games and other stalls.

Raffle tickets will continue to be sold, and the raffle will now be drawn at the September event. If any children who have left the school are successful in the raffle, we will contact their families. Children may still wear international dress this Friday if they would like to. However, please make sure that whatever they wear is light and suitable for the hot weather.

We will also be selling ice lollies after school on Friday afternoon. All proceeds from the ice lolly sales will go towards our fundraising event in September.

Thank you for your understanding and continued support.

Yours sincerely,

Mr J McCormack
Headteacher
